School Supplementary Forms

Thank you to all who have posted a secondary school supplementary form through the door of the vicarage. We will be in touch in the 2nd week of October to return these to you. If you have a primary school supplementary form, **please keep hold of it**. We will collect these in in November, after the secondary school forms have been returned. If you have any questions, please contact Susanne (Church Warden).

Update on Church Attendance for the purpose of School Admissions

As schools are re-opening in full to all pupils and students, a number of people are naturally asking whether church attendance will again be recorded for the purposes of school admissions. The short answer is **no!** The longer answer, contained in a letter emailed to all clergy (and forwarded to

Wardens where a parish is in interregnum) is that: "following the lockdown period, attendance patterns at public worship can start to be observed again when there is unrestricted and open access to all for public worship in the church building. Therefore, if churches are having to put restrictions on numbers attending in order to ensure compliance with the Covid-19 health and safety guidance then, for the purpose of observing church attendance for compliance against Admission Arrangements, the church is still technically closed for public worship."

Schools have already made any necessary adjustments to their admissions policies for those who will be applying this year (see the website of each school for more information). In light of the ongoing restrictions on numbers attending churches, I am sure that schools will be giving consideration to their admissions policies for following years and will publish these in due course.

This guidance came from the Diocesan Director of Education but I understand that it has been issued in consultation with other Dioceses throughout the country as well of the C of E nationally and it is, therefore, my understanding that this will be the same up and down the country.

You are, of course, still very welcome at church! However, please be mindful of the fact that there are lots of restrictions in place and you need to make sure you have read, and understood, our Risk Assessment in order to make a fully informed decision as to when is the right time for you and your family to return to worship in the church building. We are also mindful that the restrictions mean that our service is not very accessible to children and so we recognise that families may wish to continue to worship at home and on online for the time being.

Christmas Fair

Due to the ongoing COVID-19 pandemic and the restrictions associated with this, we have taken the decision to cancel the Christmas Fair for 2020.

APCM

Our Annual Parochial Church Meeting, postponed from May 2020, will take place on **Sunday 11th October 2020 at 12.15pm in church**, where there is the most room to physically distance. The meeting will be kept to a minimum and will just deal with the necessary legal business.
