The Church is Open!
Greater Manchester is now in Tier 3. This allows for churches to remain open for worship subject to the usual restrictions. The main ones remain which are, maintaining social distancing. The Diocese has given these as the main ones.

Places of Worship can remain open for public worship, for as many people as they can safely accommodate adhering to social distancing guidelines.
People can attend: alone, part of group all from the same household; They must not join any other group or mingle with any person from another group. Face coverings must be worn.
Please do not attend if you have any symptoms of Covid-19 or have been asked to self-isolate. We have the QR code for the NHS Track and trace on our notice board at the entrance. Please see the NHS app for details and further guidance can be found on the Manchester Diocese website at https://www.manchester.anglican.org/coronavirus/
